6. Terms of Service. In the event of any conflict between the terms of this Contract and the Contractor's standard Terms of Service ("TOS"), any terms posted on Contractor's website or application, or any terms for which a user is required to click "accept" on-line in order to log in to Contractor's application, the terms of this Contract shall control.

7. Copyright, Trademark, Service Mark, or Patent Infringement.

- a) Contractor shall, at its own expense, be entitled to and shall have the duty to defend any suit which may be brought against MNPS to the extent that it is based on a claim that the products or services furnished infringe a copyright, Trademark, Service Mark, or patent. Contractor shall further indemnify and hold harmless MNPS against any award of damages and costs made against MNPS by a final judgment of a court of last resort in any such suit. MNPS shall provide Contractor immediate notice in writing of the existence of such claim and full right and opportunity to conduct the defense thereof, together with all available information and reasonable cooperation, assistance and authority to enable Contractor to do so. No costs or expenses shall be incurred for the account of Contractor without its written consent. MNPS reserves the right to participate in the defense of any such action. Contractor shall have the right to enter into negotiations for and the right to effect settlement or compromise of any such action, but no such settlement or compromise shall be binding upon MNPS unless approved by the Metro Department of Law Settlement Committee and, where required, the Metro Council.
- b) If the products or services furnished under this contract are likely to, or do become, the subject of such a claim of infringement, then without diminishing Contractor's obligation to satisfy the final award, Contractor may at its option and expense:
 - i) Procure for MNPS the right to continue using the products or services, or
 - ii) Replace or modify the alleged infringing products or services with other equally suitable products or services that are satisfactory to MNPS, so that they become non-infringing, or
 - iii) Remove the products or discontinue the services and cancel any future charges pertaining thereto, provided, however, that Contractor will not exercise option b.iii. until Contractor and MNPS have determined that options b.i. and b.ii. are impractical.
- c) Contractor shall have no liability to MNPS, however, if any such infringement or claim thereof is based upon or arises out of:
 - i) The use of the products or services in combination with apparatus or devices not supplied or else approved by Contractor, or
 - ii) The use of the products or services in a manner for which the products or services were neither designated nor contemplated, or
 - iii) The claimed infringement in which MNPS has any direct or indirect interest by license or otherwise, separate from that granted herein.

8. Termination for Breach. Should either party fail to fulfill in a timely and proper manner its obligations under this Contract or if it should violate any of the terms of this Contract, the other party shall have the right to immediately terminate this Contract if the breaching party has not corrected the cause of the breach to the satisfaction of the other party within thirty (30) days of written notification of the breach by the other party. It shall also be considered a breach of Contract if a party becomes insolvent, makes an assignment for the benefit of its creditors, a receiver is appointed or a petition in bankruptcy is filed with respect to that party and is not dismissed within thirty (30) days.

9. Termination for Funding. In the event MNPS, in its sole discretion, does not or cannot obtain or continue the funding for the purpose presented in this Contract from any source or sources at an aggregate level sufficient to allow for payment for the Work, MNPS may exercise one of the following alternatives: (1) terminate this Contract effective upon a date specified in a Termination Notice; or (2) continue this Contract by reducing, through written notice to Contractor, the amount of this Contract and the scope of work, consistent with the nature, amount, and circumstances of the loss of funding.

Any termination or reduction of this Contract pursuant to this subsection shall not affect any obligations or liabilities of either Party accruing prior to such termination or reduction. MNPS shall not face any liability or penalty as a result of such termination or reduction of this Contract.

10. **Termination for Convenience.** MNPS may terminate this Contract at any time upon thirty (30) days written notice to Contractor. Contractor shall be paid in full for all authorized expenditures and any goods or services satisfactorily provided to date, but in no case shall MNPS be liable to Contractor for compensation for any good or service which has not been rendered. A termination for convenience shall not be a breach of this Contract by MNPS. The final decision as to the amount, for which MNPS shall be liable, shall be determined by MNPS. Contractor shall not have any right to any actual general, special, consequential, incidental, or any other damages whatsoever of any description or amount for MNPS's exercise of its right to terminate for convenience.

No party shall become liable for any representation, act or omission of any other party contrary to the terms of this paragraph.
16. **Criminal Background Checks.** Contractor shall comply, and shall assure that any of its subcontractors performing work under this Contract comply, with Public Chapter 587 of 2007, as codified in Tennessee Code Annotated Section 49-5-413, which requires all contractors to facilitate a criminal history records check conducted by the Tennessee Bureau of Investigation and the Federal Bureau of Investigation for each employee prior to permitting the employee to have contact with students or enter school grounds when students are present.

When applying for the background check defined above, Contractor's employees and subcontractors must specify the MNPS ORI code (TN930050Z) for results reporting.

- 23. Force Majeure.** No party shall have any liability to the other hereunder by reason of any delay or failure to perform any obligation or covenant if the delay or failure to perform is occasioned by *force majeure*, meaning any act of God, storm, fire, casualty, unanticipated work stoppage, strike, lockout, labor dispute, civil disturbance, riot, war, national emergency, act of Government, act of public enemy, or other cause of similar or dissimilar nature beyond its control.
- 24. Contingent Fees.** Contractor hereby represents that Contractor has not been retained, or retained any persons, to solicit or secure a MNPS contract upon an agreement or understanding for a contingent commission, percentage, or brokerage fee, except for retention of bona fide employees or bona fide established commercial selling agencies for the purpose of securing business. Breach of the provisions of this paragraph is, in addition to a breach of this Contract, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under MNPS contracts.
- 25. Gratuities and Kickbacks.** It shall be a breach of ethical standards for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept, or agree to accept from another person a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim, or controversy or other particular matter, pertaining to any program requirement of a contract or subcontract or to any solicitation or proposal therefore.
